Admission Notice for the two year Master of Public Health (MPH) Course

Government of West Bengal in the Health and Family Welfare Department has decided to set up Institute of Public Health at Kalyani for training and research in Public Health. This Institute is governed by the Society for Health and Demographic Surveillance which is a registered society under the Health department. This Institute is affiliated to the West Bengal University of Health Sciences. The objective of this Institute is to achieve developing a multidisciplinary learning and teaching environment in public health that would focus on health care and health system needs of India enriched with the global thoughts and knowledge.

Institute of Public Health, Kalyani is seeking applications from interested individuals for two year MPH course beginning in January, 2016.

Duration and Mode of Delivery

MPH is a two-year, full-time program spread over four semesters. This course will be delivered using a variety of teaching/learning techniques including lectures, case studies, field visits, attachment to different healthcare facilities and offices, seminars, interaction with community, assignments and dissertation. Eminent persons both at national and international levels in the Public Health field will share their knowledge with the trainees.

Eligibility

1. Bachelor degree (MBBS or equivalent) in Medicine or Post Graduate Degree in Sociology, Economics, Anthropology, Geography, Rural development, Physiology, Zoology, Botany.
2. Less than 40 years of age as on 1.1.2016.
3. Indian Citizen.

Number of Seats

Ten (10) candidates from the above mentioned subjects would be admitted

Selection Procedure

Would include group discussion as well as individual interview along with assessment of ability to write on health as well as social issues in a written test to be held in first week of December in Kolkata.

Course fee

At present no course fee will be charged. Instead trainees will be allowed a monthly stipend.
